Controlling Devices Over the Internet > Introduction to HTML   ▾

Code Challenge:

Design a web page which has a bolt logo on top, some text about Bolt and a button with a text "Know More". On clicking the button, it should open the BoltIoT website (https://www.boltiot.com/") in the new tab. The background of the whole page should be green and text to be yellow.

Your code ()

```
1  <body></body>
```
